MAKING THEM

Preliminary Amendment at National Stage Entry

Mail Stop PCT, Attn: US DO/EO
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Introductory Comments

Applicants (including the latter added during the International Stage as identified in the attached document) remove multiple dependencies from their claims, of record and reduce independent claims, before calculation of filing fees for US National Stage entry. Applicants' claims are patentable over the references cited in the Written Opinion.

Respectfully submitted by:
